> HOW YOU ARE JUDGED:

- Your team is judged on the net difference in body composition. For example, if you lose 10 pounds of fat and gain 2 pounds of muscle mass your net difference is 12lbs. However if you lose 10 pounds of fat and you also lose 2 pounds of muscle mass your net difference is 8 lbs. Muscle loss counts against fat loss. This prevents people from starvation dieting and encourages exercise. We will be using our *Inbody* professional body composition analyzer to ensure accuracy.

> REGISTRATION RULES:

- Registration opens on January 3rd at 9am and will close at on January 5th at 5pm. Registration is available by phone or drop in. On January 5th at 5pm, if there are more teams than spaces, all teams will be put into a draw and successful teams will be picked at random. All teams (whether successful or not) will receive an email on the evening of January 5th. The successful teams will have until 3pm on Sunday January 7th to come in and complete registration (paperwork and payment). If all three team members are not fully registered with paperwork and payment complete by 3pm on January 7th, the team will lose its spot in the challenge.
