# Youth Open House

## > OUR 1<sup>st</sup> ANNUAL HRC YOUTH OPEN HOUSE...

...was a great success! 60 kids participated in a variety of cool activities – from Tiny Tennis (for the little ones) to Teen Training (for the older kids).

Most popular events: Progressive Tennis, Intro to Squash and Dodgeball on the tennis courts!

Several great prizes were given away and, not surprisingly, there were no cookies and fruit kebabs left over!!

Thanks for coming out and we'll see you next time. Check out our awesome summer programs for kids. There's a lot to choose from!
